My Dear Mr Garrison

It will give us all great pleasure if you & Mr Thompson could come down to Weymouth and dine with us on Saturday next the 11th. You would be obliged to leave town in an Old Colony Train at ½ past 11, & get out at North Braintree where a

carriage should await
you, & I would see to
it this time, that the
man did not drive off &
leave you.

If Saturday is not
a good day will you
talk it over with Mr L.
& fix upon some day
next week. I have not
written to him at all, but
will leave it with you
to see him & make

arrangements. Please
write me a word to say
if you will come, for as
Mr Longfellow's time here
grows shorter, we try to
make as good use of it
as possible.

With love to Mrs Garrison.

Believe me

very truly

your friend

A. W. Weston

The last train from Weymouth
returns at 6.
